Long term success with Dental Implants

November 8 - 9, 2024
Baden-Baden, Germany

Speaker

Dr. S. Marcus Beschnidt

Meet the expert

Dr. S. Marcus Beschmidt
DDS, D.M.D.

Dr. S. Marcus Beschmidt, DDS, D.M.D.

Specialist for Prosthodontics (DGPro), Specialist for Implantology (DGI/BDIZ/EAED)

Dr. Beschmidt has a degree in dentistry from the University Hospital Albert Ludwigs University, Freiburg, Germany. In 2004 he established his own private dental practice in the Brenners Park-Hotel & Spa, Baden-Baden. Dr. Beschmidt ranks among Germany's top dental specialists and distinguishes himself with outstanding work in the fields of microsurgery, implantology and cosmetic dentistry.

The Clinic

The private dental practice is located in the Villa Stephanie, a historic building that is part of the Brenner's Park-Hotel & Spa in Baden-Baden.

Being part of the „Leading Hotels of the World“ means that their amenities and services are of an exceptional standard that they provide to their patients.

Introduction

This two-day course with Dr. Beschmidt offers participants a comprehensive theoretical, hands-on and live surgical training experience.

The theoretical program covers topics such as implant treatment for the upper/central lateral incisors, one-time abutment and vertical augmentation procedures including tips and tricks on soft tissue surgery via video tutorials.

The hands-on program helps participants to deepen their experience in flap and suturing techniques. All exercises are practiced on pig ears and jaws.

During the live surgery portion of the course, hard and soft tissue augmentation procedures are demonstrated.

Course description

Category	International course Hands-on, Live-Surgery
Speaker	Dr. S. Marcus Beschnidt
Date	November 8 - 9, 2024
City	Baden-Baden/Germany
